FREE SCHOOL DENTAL WELLNESS PROGRAM

LUXYSMILE

Brought to you by LuxySmile™ in partnership with Hindustan Times PACE

A Special Initiative for Your Child's Health

Your school is proudly hosting an on-campus dental program designed to make expert oral care accessible, convenient, and comfortable for every student. This collaboration with Hindustan Times PACE and LuxySmile™ brings trusted professionals right to your child's familiar school environment

Under this initiative, your child will receive:

A free oral check-up conducted by expert doctors.
A detailed dental health report with AI analysis is sent to parents. The option to pay/upgrade for preventive care packages using internationally approved procedures and materials.

Benefits:

- Dental Check-Up
- Save Time and Hassle
- Personalized, Actionable Reports
- Fosters Lifelong Habits
- Boosts Confidence

CONFIDENCE STARTS WITH A HEALTHY SMILE.

LUXYSMILE

LUXYSMILE™

In association with HT PACE

Experience School Dental Wellness with LuxySmile™

At Your Child's School. Expert Care. Zero Hassle.

What Is This Program?

A modern dental wellness solution, delivered right in your child's school by certified dental doctors. LuxySmile™ brings high-quality professional preventive care, early detection, and oral health education with integration of Artificial Intelligence-based analysis directly to students, eliminating the hassle and uncertainty of separate dental visits.

Why Parents Love It:

LuxySmile™ brings gentle, expert dental care to schools. Our experienced specialists make preventive dental health easy and comfortable for every child. With trusted partners and a proven record, we put your child's health first–right where they learn.

ALL CARE IS PROVIDED SAFELY AT SCHOOL. CHILD FRIENDLY AND SAFE PROCEDURES CONVENIENT FOR PARENTS

What We Do for Your Child

- Checkups and Cleaning: Regular exams and professional cleaning keep teeth strong and bright.
- Personalized Reports: Get clear, AI-powered health updates after every visit, all verified by our specialists.
- Prevention First: Fluoride treatments, sealants, and simple explanations help every child feel at ease.
- Healthy Habits: Kids learn routines for a lifetime of better smiles.
- Convenience for Parents: Everything happens at school. Saves parents valuable time.

- Year-Round Wellness Support
- Strict hygiene protocols and a child-friendly setup.

Why LuxySmile™ Is Different?

Our expert dentists examine your child's teeth and gums, looking for any areas that need attention. You receive a detailed report including all details by our doctors showing exactly what we found.

- **Protective Coating: A composite coating is applied to the back teeth to shield them from cavities. Result: Stronger tooth surfaces that resist decay.**
- **Anti-Cavity Gel Application: A fluoride gel is gently applied to strengthen tooth enamel. Result: Improved resistance to cavities and decay.**
- **Professional Teeth Cleaning: Gentle removal of buildup and plaque. Result: Brighter, healthier-looking teeth and fresher breath.**
- **Procedures designed for children.**
- **Clear communication at every step.**
- **Healthier smile, better confidence, fewer dental emergencies.**

LuxySmile™ is a premium school dental wellness program from Oralens Healthcare, an award-winning company with presence in India and the USA. Led by award-winning dental surgeon Dr. Arjun Chadha, who has received multiple national and international honors, LuxySmile™ partners with Hindustan Times PACE in India to provide gentle, high-quality dental care at top schools. Our expert team focuses on child-friendly treatments and strict safety standards, helping students develop healthier, more confident smiles while giving parents peace of mind—all conveniently provided within the school campus.
